MAYOR OF LONDON

Transport for London

Welcome to river travel in London

Welcome to the Autumn/Winter 2005/06 edition of the River Thames boat service guide. Whether you are planning a trip on the Thames for leisure or business, our comprehensive guide is here to help you plan your journey.

For commuters, fast services operate all day from Masthouse Terrace Pier on the Isle of Dogs to Savoy Pier on Embankment, and peak hours only from Putney and Chelsea Harbour to Blackfriars.

For a more leisurely cruise, there are many services, reaching destinations from Westminster in the west to Greenwich in the east. There are also numerous lunch and dinner cruises available. The guide also contains information on places of interest to visit along the river, and contact details for operators offering boats for hire.
